Abstract: The abstract should briefly state the purpose of the research, the principal results and the major conclusions. The abstract should be between 200 and 300 words. The Committee kindly requests authors to strictly follow this abstract template so your work will appear correctly in the proceedings of The 2nd WASWAC World Conference.

Keywords: Immediately after the abstract, provide a maximum of 5 keywords to be included. Avoid general and plural terms and multiple concepts (avoid, for example, "and", "of"). Use abbreviations sparingly; only those firmly established in the field may be eligible. These keywords will be used for indexing purposes.
